As a number of Squad members are tied up with higher level events or HSC commitments, there are some immediate vacancies in the four Junior Development squads.

Juniors (all levels) and Young Riders (PN and above) are invited to submit a request to be considered for inclusion in the training days and will receive priority on the basis of any “quality” results they have obtained this year. Riders with “quality” performances will be inducted into the squad; others accepted for training can apply for inclusion in a squad for 2011.
